If you want to reheat carved ham, USDA recommends heating only those slices needed and not the entire ham. These spiral sliced hams should be cooked to an internal temperature of 140°F as measured with a food thermometer. JCS dealers, service centers, or retail stores selling JCS products do not have the right to alter, modify or any way change the terms and conditions of this warranty. This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use, misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or alteration by anyone other than JCS or an authorized JCS service center. Fully cooked hams can also be sold unsliced. If you want to reheat a whole ham, use a preheated oven set no lower than 325°F and, like spiral-sliced hams, heated to an internal temperature of 140°F as measured with a food thermometer. If you have any other problem or claim in connection with this product, please write our Consumer Service Department. PLEASE DO NOT RETURN THIS PRODUCT TO ANY OF THESE ADDRESSES OR TO THE PLACE OF PURCHASE. © 2012 Sunbeam Products, Inc. All rights reserved.
